

奥瀬サキ

フェージョンで取ったおぼろにギョウダナイを投入しては顔を見事に隠すだけでいい。怪しい。無いです。でも代わりに相手をがっかりさせるようなポーズでくっつく。これはもう無敵の技と言っても過言ではありません。2巻では無人足のおもちゃが現れます。

刻夜セイゴ

まさかです。無人足が「笑」に可愛らしくなってしまうのです。もっとアツアツしたくなりたいです。

No
good,
What the
heck is this?!
Everything I
did was..!

Those pairs of eyes
weren't those of the
child who had followed
Makaya Yoruji around.

Or should I say...

...That was
Makaya Yoruji's
father.

So Makaya Yoruji
must have
already seen that?

Initially, he was in a condition
which was very close to imminent
death. However, they announced
that he was only in critical
condition during the emergency
operation.

Please
save...

...Onii-
chan..!

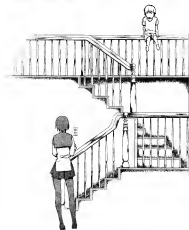

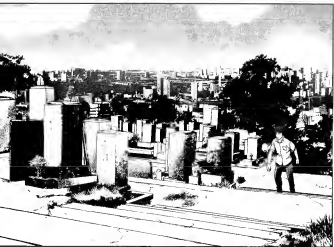

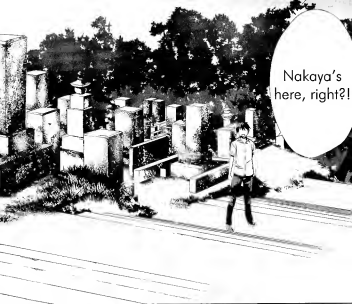

Nakaya's
here, right?!

So you
figured
it out,
huh...

The
outcome
...I'm happier
this way, I think.
...I'm
happier
this way,
I think.

I figured
you would
probably still
be nearby
though.

Just for show,
you made every-
one believe that
you had left your
bicycle at the
station and then
rode the train,
didn't 'cha?

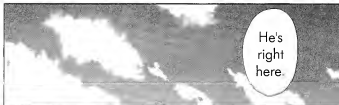

Since when
did you begin
playing double
roles?

So where
is that older
brother of
yours studying
overseas
really at?

Superb.
You really
figured it
all out.

He's
right
here.

Eh?

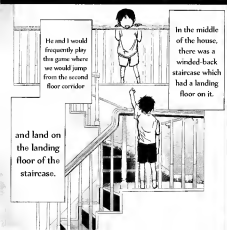

That's why I believed that my younger brother was buried here. I would frequent here a lot and sit just like this.

Here is the only cemetery nearby my home. I never knew of any other cemetery except for this one when I was little.

Why did it become as complicated as that?

He and I would frequently play this game: where we would jump from the second floor corridor

In the middle of the house, there was a winded-back staircase which had a landing floor on it.

and land on the landing floor of the staircase.

It was an accident.

My younger brother and I were born in consecutive years, so we had a really good relationship.

We would gradually
compete in order to do
a better stunt each time,
ending up doing fairly
impossible things...

Youji!

We were both from the same father, however, he loved my younger brother over me more.

...No matter what, I would go into withdrawal whenever I saw this father of mine who was so excessively loving towards my younger brother.

Youji!!!

Youji!!!

My father liked me, but, that was only because I was the older brother at the time.

I'm in
agony...

However,
back in those
days, I didn't
realize any of
that, but...

...That
wasn't the
proper way
to love
someone

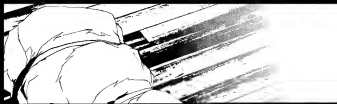

Father is,
well... I love
you so much
I could eat
you up.

**Youji
loves his
father too,
right?**

...Your
father is in
agony...

Kovichi.

Although
you've done
something
terribly evil,
hey, your
father will
save you.

Youji's
death is all
because
of you.

If you do so,
Youji will come
back to life.

**Become
Youji.**

So that's why, when my father mentioned for me to become Youji, I more or less had quite a bit of hope. However, in reality, it was different.

As far as my father was concerned, I was still Kouichi.

I was envious of my younger brother who received all the affection from my father.

So you're saying that if you had handed over your younger brother who died accidentally to the hospital or the police in that condition... That would have become a rather bad situation...

That's why even though I had something similar to a never-ending conviction, I had thought otherwise if by some chance I might have been probably wrong.

You could also see those deep bite marks on my younger brother's body. Though I'm not saying that I didn't have anything to do with those.

Due to what my father said, I swapped roles with my younger brother, and in the following year, I advanced into the public elementary school nearby

I become a ghost, not only outside, but inside my home as well.

Even though he's my father, I think I was afraid of whenever I may reach this reality after having found out something about it.

My father ended up completely ignoring me.

For me, I would constantly go back and forth from there and the private elementary school which was far away, so I ended up refusing to attend school and secluding myself inside my home

My father was raised in your average everyday household, so to speak. He's just some random guy who married off to a rich and powerful wife, so he's never actually worked before.

The idea of being left alone is rather frightening to me, so I just turn a blind eye to it all

Then, your mother?

...So up until yesterday, we've never actually spoken with each other.

As well, I feared the horror of needing to survive by myself if I separated with that family..

I - am also unfortunately just for the sake of it considered part of the family.

**Youji
loves his
father too,
right?**

Why are you
saying things like
that, Youji?

Nakaya!
Let's go to
the police
together!!

Haha... I never tried considering
saying those kinds of bland words,
though... I kinda wanted to talk
about various things with Toono
in a much more different manner
than this, if you catch my drift...

So that's
why, from
here on,
whenever-

You will
probably
just be on
probation!

You can still tell them!
If you let them know the
circumstances, there is
a high chance you will
be excused from being
sent to prosecution!

Nayaka!!

Toono...
You went
and attacked
Senpai,
didn't you?

Nakayall!

But I got it now.
I... just wanted to
back up Toono

I was
surprised.
My feelings
changed, and
I could not
understand
them well.

It is not
your fault!

**It is
not your
fault!!!**

*It's your father's
responsibility for
overlooking your
younger brother's
death as well as
letting you two play
so dangerously! I
won't let you die
just because you
made a mistake!!*

...Thank you.

The Second: Shounen Knife ④

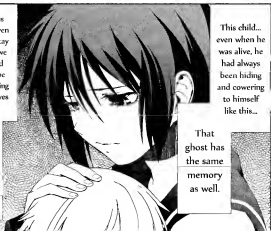

This is bad. Even if we stay here, we would only be cornering ourselves in.

This... What I see now is just a repeat of what happened in the past inside this home.

This child... even when he was alive, he had always been hiding and cowering to himself like this...

That ghost has the same memory as well.

He's toying
with us while
he knows that
we're here...

He's
toying
with
us...

119

No matter what a ghost's condition is, there's definitely some sort of agony involved, so you can expect it to be lingering somewhere inside this world..

The only thing I'm able to do is to hear a ghost's voice.

For me, I will use what I can.
If that fails...

I don't know
anything about
you! I don't
have any good
nor ill feelings
towards you!

That's
why...

I just
want to
know
of your
story!

Maika...

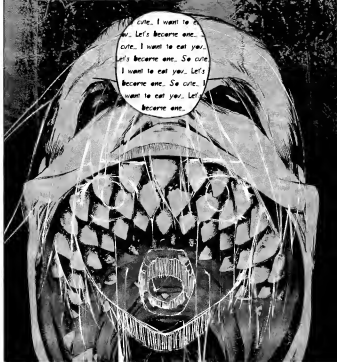

Haa...

*Maika
your hand...*

cute. I want to eat
you. Let's become one.
cute. I want to eat you.
Let's become one. So cute.
I want to eat you. Let's
become one. So cute. I
want to eat you. Let's
become one.

He's simply
wandering
around and
around in the
same area...

It's im-
possible...
No matter
what I do, I
can't change
the past...

The center
of gravity
restraining
him consists
of that young
boy's death...

No...
No no
no! No
ooooo
ooooo
ooooo
ooo!!!

Maika!

Don't lose
sight of
yourself!
Remember.
Maika!

Haa...
Haa...
Haa...

Remember.

Please
run while
I'm being
eaten.

It's okay.
You're not
alone,
Maika.

He holds a
very strong
power, however,
there isn't any
substance to it.
It is only an
illusion.

Maito...

*Inside
this world,
there exists
many living
objects.*

*Stand
firm*

*Maika is living.
Beneath your
feet is soil. The
Earth exists.*

I don't get
it... I don't
know what I
should do...
Maito...

*Maika, simply follow your
natural stream, turn yourself
into an instrument, use your
power to point to the correct
direction. It's fine. Your body
will recall the form itself.*

If you blast from the base of the origin to the gravity's outer range, any existing soul that spontaneously opposes you will be devoured by the natural stream.

Use your centrifugal force, which is able to distort the surroundings of any ghosts that are suspended in time and space.

Wandering around and around... in the same area...

The correct orientation...

cold light...*

It's
exactly
like... a
moon's
light.

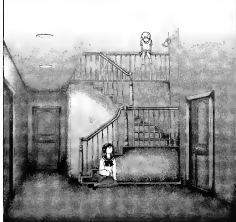

Farewell,
Nakaya
Kouichi.

Just what...
was that...
Maito...

HA

Onii-chan...

I've kept
you waiting,
huh? Come,
Yayoi

So
that's
it...

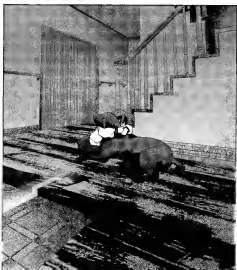

Thank you

Nakaya-kun's
also already...

...I'm not
qualified
to accept
your grati-
tude!

200 Bubble: White

And
starting
tomorrow,
classes
resume
normally
too...

There
was only
a morning
assembly
today and
then school
closed right
after.

Really,
wow...

Idiot. I thought I'd drop by to see if Kanbana had told you, but it turns out Toono was here instead.

Thanks. Did you come just to tell me directly?

This here is Nakaya's final resting place.

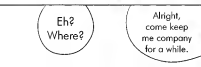

That so.

Ah, uh... Well school closed all of a sudden, so I don't have any plans yet.

Hm? Me?

Nope. You free now?

Eh? Where?

Alright, come keep me company for a while.

Bleh, if you want me to convey some message to Mako, I refuse. You can go ask her yourself tomorrow.

Maito, I want you to help me with something, if that's okay?

Graves.

My
parents'
and older
sister's.

You've
never
stopped
before?

Every
morning, I
would visit
them. And
it's quite
a long
distance
too.

Well I'm
always late for
school. It's already
getting pretty bad.
If I keep this up,
my ultimatum's
probably going
to tell me to
retake courses.

That's
why I've
already
made my
decision.

Dick's
going to
turn hard
again?

Uh, that
car's a two-
seater...

Mmkay,
well that's that.
Alright, let's go
back to school
using Kanband's
car. Since you
know, he's pretty
free too.

That...
Well I won't
know until
we actually
get on...

MONOPHOBIA

It's been
a week
since the
incident
with Na-
kaya-kun.

The reporters
have gone and
the school is
back to normal.

Recently, I
haven't seen the
ghost behind
Tooru's back

While Maiko hides
his memories
sometimes, this
time he told me
the whole story.

It looks like
Makoyan-kun
affected every-
one, not just me.

I think it
was his
older
sister.

It stopped
after
Kambana-
sensei, Maiko
and he went
to his family
grave.

I HELPED
YOU, MAIKO?

EVEN IF IT
WAS UN-
CONSCIOUSLY,
I'M GLAD I
COULD HELP.

IT HAPPENED
NATURALLY.

I DON'T
REMEMBER
THAT.

YES.

USING THE
CORRECT FLOW
OF NATURE...
THAT DOESN'T
SOUND LIKE ME.

NOW WHAT NAME
ARE YOU GOING TO
CALL THAT MOVE?

SO THAT MOVE
IS CALLED "THE
SLAP" AND NOT
"THE FIST",
SOUND GOOD?

...IT WASN'T
A FIST, MORE
LIKE A SLAP
OF THE HAND.

THAT'S NOT
COOL- WHAT
WAS IT LIKE
ANYWAY?

"USE THAT
MOVE THAT
YOU USED TO
SEND THAT
SHOET
PLAYING!"

YEAH IF
YOU'RE IN A
PINCH AGAIN
AND I HAVE
TO HELP
FROM THE
CORNER, DO
YOU WANT
TO SAY...

NAME?

YES?

UM...AND
AMITO...

WHAT DO YOU
MAKE OF THIS
TALKING TO
THE DEAD?

YOU MEAN
NAKAYA?

IT'S HARD.

I THOUGHT
I MIGHT
BE ABLE
TO SAVE
NAKAYA-
KUN.

I JUST
DON'T
KNOW.

BUT NO
MATTER
HOW HARD
I TRIED I
COULDN'T
DO IT.

BUT...

YOU'VE
MADE A
CHOICE
NAKA.

IF YOU WANT
TO DO THIS, DON'T
FORGET THAT I'M
ALWAYS HERE.
TOO, NAKA.

YES.

Story 3: The Dog's name Part 1

But, instead of attacking others, she focused on herself.

She was confused and kept repeating the same thing over and over.

Thirteen years ago, a female student jumped off the roof of the new wing. She was a little like Nakaya-kun's father.

010. Month, month, month

010. Month, month, month

A person called a medium can understand the awful and confusing things she's saying, but caring and doing something about it is hard.

Ever since she committed suicide, she's done the same thing.

DON'T WORRY. IF WE ERASE THE NAMES, THERE'S NO PROBLEM.

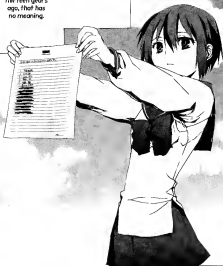

That's the basic idea of the situation.

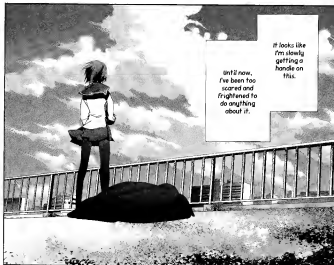

According to her final note, there was a list of fifteen classmates who drove her over the edge.

However, half of them had nothing to do with it so the minute she stepped off the roof, she regretted it.

but for a ghost,
yesterday or
thirteen years
ago, that has
no meaning.

That was thirteen
years ago. Even if
I erase the names
now, it won't
change anything.

until now,
I've been too
scared and
frightened to
do anything
about it.

it looks like
I'm slowly
getting a
handle on
this.

The dog
spirit inside
the bishop piece
that Konbona-
sensei gave me
is still here.

One more
thing has
changed

Nurse's Office

YOU'RE MAKING
EXCELLENT
STRIDES TOWARD
BECOMING A TOP-
NOTCH NURSE.

THIS IS WONDER-
FUL. I
COULDN'T
CONTROL
THE DOG'S
SPIRIT,

BUT YOU,
HOZUKI
MAIKA... YOU
DESERVE ALL
THE PRAISE!

BPV: 15-404

IT MIGHT
LOOK THAT
WAY TO
PEOPLE.

ISN'T HE
SIMPLY
OBSESSED
WITH ME?

I DON'T
CONTROL
HIM; HE
JUST STAYS
WITH ME ALL
THE TIME.

I COULD
SEAL HIM UP
BACK INTO A
CHESS PIECE.

.....

IT'LL TAKE A
VERY LONG
TIME AND MANY
OF THE PEOPLE
WOULD'VE
MOVED ON TO
SOMETHING
ELSE.

AND THOSE
YOU VISIT MAY
NOT WANT TO
SEE YOU.

YOU'D ALSO
NEED THE
HELP OF
THE PEOPLE
INVOLVED.

YOU'D HAVE TO
LOOK INTO HIS
LIFE, GO TO
WHERE HE DIED,
AND SO ON.

THE SECOND
OPTION IS TO
FIND OUT
WHAT'S KEEP-
ING HIM HERE.

IT'S
DANGEROUS,
AND COUNT-
LESS DON'T
COME BACK.

YOU MUST
SYNCHRONIZE
YOUR THOUGHTS
AND FEELINGS
WITH THAT OF
THE DOG.

WHAT'S
MORE, ANIMAL
SPIRITS ARE
NOTORIOUSLY
DIFFICULT
TO READ.

IT'S NOT
SOMETHING TO
DO LIGHTLY.

I DON'T KNOW
HIS REAL NAME.
AFTER HE GOT
BIGGER, THE
HUSBAND-AND-
WIFE OWNERS
TRAVELED A
LOT.

HIS MASTER
CALLED HIM
JESSEE, BUT
IT'S A NICK-
NAME.

DO YOU KNOW
HIS NAME?

I GOT INVOLVED
WHEN THE PERSON
WHO BOUGHT IT HAD
SOME TROUBLE
WITH IT.

HE LIVED
IN A SMALL
HOUSE IN THE
MOUNTAINS.

ESCEE AND
HIS MASTERS
WERE SUMMER
VACATIONERS FROM
ANOTHER AREA.

THEY WERE
ALSO BITTEN BY
THE DOG.

THE OWNER'S
WIFE'S FAMILY HAD
SOME PSYCHIC
ABILITY.

AFTER LIVING IN THE
HOUSE FOR A WHILE,
ESCEE AND THEM WERE
KILLED AND BURIED IN
THE MOUNTAIN BEHIND
THE COTTAGE.

THE WIFE AND
CHILD COULD
HEAR HOWLING
AND THEY SAW
FOOTPRINTS ON
THE FLOOR.

KILLED...

WHAT IS
THE THIRD
METHOD?

HOUDEZUKI MAKA,
YOU MUST BECOME
HIS NEW MASTER
AND RETRAIN HIM.

HOWEVER,
IT'D BE IDEAL
IF YOU COULD
SEAL HIM IN
SOMETHING
THAT HAS
A LID.

ALMOST
ANYTHING
WILL DO.

THAT WAY,
HE CAN
COME WHEN-
EVER YOU
NEED HIM.

THE INSIDE
OF THIS CHESS
PIECE IS HOLLOW
AND THERE'S
NO LID.

ONCE SEALED,
OTHER THAN
BREAKING, HE
WOULDN'T BE ABLE
TO GET OUT.

TRY
THIS.

HE CAN BE
TRAINED TO
COME OUT ON
COMMAND WITH
A PARTICULAR
SIGN OR ACTION.

THE SPIRIT
HAS NO
PHYSICAL
BODY, SO
SIZE DOESN'T
MATTER.

BUT
THIS
IS...

YOU'RE
TRAINING
A DOG'S
GHOST?

I SEE... YOU
HAVEN'T TRIED
USING ENGLISH
TO TRAIN HIM,
HAVE YOU?

YES. HE'S HERE
RIGHT NOW, BUT
HE DOESN'T
LISTEN TO ANY-
THING I SAY.

THE NAME ESCER
COULD JUST BE A
NICKNAME AND HIS
REAL NAME MIGHT
BE "ESSENTIAL"
OR SOMETHING
LIKE THAT. IT'S
POSSIBLE WITH
ENGLISH.

OF COURSE,
"ESCE" COULD
JUST AS EASILY
BE JAPANESE.

ENGLISH?

I should go home and check the internet.

What's the best way to train a dog?

He's always next to me, so why...? Only when we're outside does he...

I get it. A walk. Escee likes taking walks.

This is a nice place.
It looks like Maito
comes here just to
relax and get away
from everything.

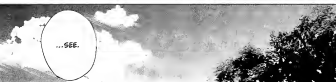

IT MUST BE
NICE BEING A
SHOBT. YOU
CAN PEE ANY-
WHERE.

I feel
like I
really
have
to go.

I'm so
close,
but I
can't relax
enough
to pee.
